

# WELCOME TO THE EXCITING WORLD OF CERTIFIED NURSING ASSISTANT & HOME HEALTH AIDE

*Education is the heart of success. It paves the way to accomplish the endeavor that has no measure. It enhances the talents and skills of individuals who want to achieve their goals. International School of Nursing is dedicated in preparing and train our students to become efficient and effective members of the health care team. The International School of Nursing is determined to promote the highest level of education in developing an individual to become a Certified Nursing Assistant (CNA) and Home Health Aide (HHA) based on the California Department of Public Health rules and regulations. The curriculum will allow personal growth for each student to meet the changing needs of the community it ultimately serves.*

## CERTIFIED NURSING ASSISTANT

The course consists of 50 hours of theory conducted in the classroom and 100 hours of supervised clinical training in an accredited Long Term Care Facility. The course uses the Nurse Assistant Training & Assessment Program (NATAP) curriculum and is taught by licensed nurses approved by the California Department of Public Health. Day classes take 23 days and the evening classes take 35 days. Upon successful completion of the course, you will be qualified to take the exam to become CNA. The course provides training on role of the Nursing Assistant in caring for residents in long term care as well as rehabilitative nursing. There will be no more than 15 students per instructor.

## HOME HEALTH AIDE

This 40 hours course prepares the CNA to become a HHA. The thrust of this course is to assist the CNA in acquiring skills necessary to provide services to clients in the home setting. The training will enable the CNA to identify the needs of clients that are essentials in maintaining a good quality of life to attain the optimum level of functioning. The course consist of 20 hours classroom instruction and 20 hours supervised clinical training. The clinical work will be performed in a private Residential Care Home. There will be no more than 15 students per instructor.
